NEW Kindergarteners - Grade 1*****

Very young players may have difficulty staying seated and focused for 1 hour after a full day of school. WGM Elena Donaldson has great success teaching younger players before-school in 30-minute weekly sessions. The game of chess is known to enhance the development of valuable critical thinking skills that can be applied to all aspects of life. Chess is a universal learning tool; it offers a rare combination of patience, forward-thinking, respect for one's opponents, and creative problem solving skills.

If your younger child has an interest in learning chess with Elena, please contact the Chess Chair, Janine Praitis via email or phone, by October 1st, 2011. admin@hhillpta.org 425-402-0656
We will need a minimum of 12 kids to make these Kindergarten-Gr 1 classes work out.

Fee: \$7.00/student/session. K-Chess Club will meet
Weekly, 8:20-8:50 am, starting around October. Exact dates and location TBD.
